Dedicated

.....to the passengers on the train of life, either riding the rods or traveling Pullman, who after years of struggle and toil, are now approaching Station Graduation.

Though there may have been times when the cars were derailed, the six-wheeler side-tracked, or the switches jammed, they are now steadily chugging along the run under the capable control of the conductor and engineers.

Despite delays to be encountered and bridges crossed most of the passengers will be completing the first lap of their journey on schedule.

The Council is the governing group which represents the student body and tries honestly and sincerely to lead the school and its activities in a democratic method. This training plays an important part in the planning for all future activities. The student body is too large to accomplish each individual aim, but as long as these ideas are passed on into the Council through the capable representatives, the school will remain well governed.

The class of '50 boarded the Special in the fall of '49 full of vim and vigor realizing that this would be the last lap in the twelve year educational journey.

Captain Cook piloted the strong armed men from the class, as well as the underclassmen, to a football championship.

"Dear Son", the class play, was tops.

Stemen and Adams, as co-captains, led the basketeers to the second Little "C" Championship of the year.

Washington Dinner, donkey basketball games, candy sales and movies were among the money-making ventures.

On to Washington! The senior trip will long be remembered.

Homecoming, Junior Banquet and the J-hop were in the social lime-light.

Graduation Station was reached June 1, and the class stepped off the Special to break the links that joined the class of '50 and bid farewell to Q.H.S.

The Journey of The '50 Passengers

All aboard the Oriole Special headed for success and happiness on car number 50!

Beginning the first lap of our journey, we got up steam and elected our crew which consisted of: Engineer (President) Lee McDaniel; Conductor (Vice-President) Bob Adams; Ticket Agent (Secretary) Verla Matz; Fireman (Treasurer) Barbara Cox; Station Manager (Rep.) Marlene Hamilton; Brakeman (Advisor) Mr. Fischer.

After the train left the station in the first lap of our journey several new passengers were taken on board, namely, Virginia Milbourne, Christine Hankins, Virgil Welch, and Bill Underhill.

Early in our journey we were entertained by the Sophomores at the Freshman reception on September 27, 1946.

"Not Quite Such a Goose," a play, was presented by our English class in an assembly.

Our car switched to the Battle Creek Bird Sanctuary on May 6th.

In September of '47, we again steamed up naming the following crew: Engineer (President) Wallace Everline; Conductor (Vice-President) Donald Cook; Ticket Agent (Secretary) George Strang; Fireman (Treasurer) Betty Friend; Station Manager (Rep.) Verla Matz; Track Inspector (Rept.) Jo Ann Wigent; Brakeman (Counselors) Miss Hethke and Mr. MacQueen.

Several new passengers came aboard: Jane Dickens, Virgil Moore, Marilyn Hilton, Joyce Hubaker, Marcella Miller, Joyce Adams, Bill Johnson, Morris Huber, and Kenny Hall.

James Cottman, Dick Brewer, Christine Hankins, Winston Maggart, Clyde Gillette, Stella Wellsworth, Audrey Salligan, Mary Lee Gates, Velma Marks, Joe Bregg, Charles Dowell, Delores Fitzgerald, and John Warren were among those who did not continue the journey with us.

During a short lay over, we initiated the Freshmen and then went gayly on with our own affairs. Our next activity being a hayride to Mary Schultz' home, and a dance afterward in the school gym, to which we invited the Juniors.

We were proud to have Marilyn Hilton and Jerry Merriman chosen to assist the homecoming king and queen.

The paper drive brought us $29.20, while noon movies, baked goods sales, pencil sales, and the carnival added to our fire box.

The Special next stopped at Detroit, while the passengers of car 50 visited the Great Lakes Steel Mill in the forenoon, had an exquisite dinner at the Dearborn Inn, and then proceeded to Green Field Village.

March 10th was our day to howl with a talent scout assembly, featuring Al Jolson. Still doing our share of entertaining, we sponsored a movie, "The Crusades," at the theatre.

On May 5th, our car load enjoyed a splendid evening roller skating at Hamlock.

In 1948, we again boarded the Oriole Special. We counted fares and found the following passengers missing: Joyce Wilkinson, Rolland Friend, Jane Dickens, Metha Gilchrest, Roberta Murdock, Donna Brewer, Virgil Moore, Kenneth Hall, Bob Lawrence, Ray Hermance, Eugene Morris, Marlene Hamilton, Marcella Miller, Marilyn Hilton, James Springstead, James Cottman, and Bill Johnson.

New passengers were: Connie Sanders, Pauline Gardner, and Delores Fitzgerald.

Before continuing our educational journey we elected our crew for our Junior year: Engineer (President) Donald Cook; Conductor (Vice-President) Richard King; Fireman (Treasurer) Jo Ann Wigent; Ticket Agent (Secretary) Mary Schultz; Track Inspector (Rept.) Lee McDaniel; Station Manager (Rep.) James Stemen; Brakemen (Counselors) Mr. MacQueen and Mr. Jacobs.

Getting on with our business, we refilled our fire box by means of a magazine sale in which the class was divided into two teams. The losing team gave a party for the winners. A paper drive in October, which profited us $35.00, also boosted our fuel supply.

Our long awaited for class rings arrived during Christmas vacation. Stirring us to greater activity, the play cast presented an unusual, but interesting play, "Our Town," April 21st and 22nd.

In the early spring we honored the Seniors at the Junior-Senior Banquet.

Everyone joined in to make our J-hop on May 13th a success. We chose as our theme "The Rainbow Ballroom." The ballroom was a heavenly maze of color. A hugh rainbow stretched from one side to the other with the streamers falling into pots of gold at each end. After dancing to the music of Paul Spoor's orchestra, we dreamily, yet happily, retired to our homes with the knowledge that our J-hop had been enjoyed by all who attended.

We chose as our class flower, the yellow carnation; our colors, maize and blue; and motto, "You never know what you can do until you try."

May 28th, we took another side trip; this time visiting Toledo and various points of interest at the Walbridge Park and Zoo, the Science Museum and Art Museum.

A picnic at Pokagon Park ended the third lap of our journey.

After a brief rest stop, the class of "50" was bustling with new energy and raring to start out the year of 1949. Our governing body was: Engineer (President) James Stemen, Conductor (Vice-President) Wallace Everline, Ticket Agent (Secretary) Louise Stout, Fireman (Treasurer) Nancy Downer, Track Inspector (Rept.) George Strang, Station Manager (Rep.) Jerry Merriman, Brakemen (Counselors) Miss Lugar and Mrs. Volkert.

We were sorry to lose James Cottman, Erma Paul, Delores Fitzgerald, Vondalee Iford, and Clarence Albright, but happily received Mary Lee Gates, Charles Dowell and Marcella Miller, all of which had been on our train before, but had transferred to other towns. Ray Anderson joined us from Camden Frontier, while Colleen Matthews moved ahead a car and joined the class of "50."

A photographer from Powells Studio took our Senior pictures on October 15th. Trying to get us to smile pretty he would say, "Now smile like you are greeting your boy friend coming down the street." That did it.

October 19th was Journalism Day. Two car loads of journalism students participated in the event which occured at Lansing. Our "49" Oriole took an "A" rating.

The Senior play, "Dear Son," was well received on November 11th. The cast also presented their talents at Bronson, November 10th, and Reading High School, November 23rd.

Our pictures arrived on December 5th. With fearful hearts we opened the folders, not knowing what to expect. "Oh joy, they did turn out well, didn't they?"

Much needed fuel was added to our fire box with the sale of Christmas cards, candy sales, noon movies, a Washington dinner, donkey basketball game and entertainment by the Hoosier Corn Huskers. We wish to congratulate Lee McDaniel who was chosen D.A.R. Girl, also Don Cook and Verla Matz who reigned over homecoming as king and queen.

One of our big thrills of the year occured when the Junior Chamber of Commerce allowed us to govern the city for a day.

On February 8th, we attended the banquet which the Juniors so graciously gave us.

With many waves and goodbys, we were off for a four-day trip to Washington, D. C. on Monday, April 10th. What a gay time was had by all.

Next came the honor assembly and finally our delightful educational journey ended with graduation exercises on June 1st.

The Oriole Special run ended as the train pulled in to graduation station on time with a full crew on June 1st.

Oriole Special Choo Choo Tune

Pardon me boy, is that the Quincy High
School Choo Choo? Track 49, boy you
can give me a shine.

I can afford to get aboard the choo choo,
I've got my fare and just a trifle to spare.

We got aboard the choo choo in the year '46
Of course, we had to study and we pulled a few tricks.
1947 was just like heaven, 1948 is the one we 'preciate
1949 is the track we're on now, Graduation Station ain't
very far. Shovel all the coal in got to keep her goin'
woo woo, Mrs. Volkert, here we are.

There's goin' to be a certain party at the station,
We used to call him E. J., I think he liked it that way.

He'll honor us with our hard earned di-plo-mas.
So Quincy High School won't you choo choo us there.

Verita Marshall
Mary Ellen Todd

Oriole Special Verse

FORTY-SIX TO FIFTY

Toot! Toot! Next station graduation,
Isn't that your destination?
Yes, we'll tell you all about it.
Come over here while we shout it.

We left here from the Freshman station,
Thinking that we owned the nation.
But with that idea we soon parted,
As the Sophomores, our initiation started.

Next stop Sophomore station.
Now we owned just part of the nation,
To Detroit on a class trip we went,
And skating parties, where our money we spent.

Juniors by golly, well, what do you know?
There was the J-Hop that sure was a go.
And "Our Town", that was our Junior Play.
It was good from what people say.

And now just ahead is the Senior station,
The knowledge we've learned will be shared with the nation.
Mrs. Volkert! Miss Lugar! Our fearful trip is done,
The train has weathered every track, the prize we sought is won.

Barbara Cox-Barbara has taken over her father's theatre. She now owns a chain of them called "Cox's Army".

Joyce Russell-Is still holding hands with her husband.

Connie Sanders-Didn't quite make it to college, but she doesn't mind one bit. She's married and has a family of two.

Mary Schultz-After graduation from college we heard Mary is giving concerts at Coldwater High School, and is that Bob we hear singing.

Jim Stemen-We see Jim Stemen sitting at home rocking Jim, Jr. and baby Betty Lee while Betty attends the Quincy-Reading game to see who gets the Golden Shoe. Times have really changed Jim.

Harry Stickney-Well, if it isn't Harry and Ann. We heard Harry is doing fine as "Postmaster".

Louise Stout-After going steady with one guy during most of her high school days, guess what? She went and married another.

Mary Ellen Todd-Mary Ellen finally married that Hillsdale guy, and now they're raising six little girls.

Jo Ann Wigent-Now owns her own diner. More power to you, Jo Ann.

Duard Wondergem-Is now a motorcycle stuntman with the Wade Circus. (Gee, more thrills.)

Max Zimmerman-After graduating from journalism school, Max is now working on the Coldwater Daily Reporter. He always did like Coldwater.

As the Special rolls in to the Station, we see that the Juniors have worked hard on their various activities, the Junior-Senior Banquet, the Junior Play and the J-hop.

The Junior-Senior Banquet was enjoyed by all. It was held February 8, 1950 at 7:00 o'clock in the Union Church dining room.

Much talent was discovered while producing the play and the J-hop. The original decorations were beautiful, and the orchestra was enjoyed by all.

It was a very enjoyable year for the ever jolly Juniors and they are all looking forward to their senior year.

In the fall of '49 the class of '52 boarded the Special with forty-six paid fares.

The first big job was to initiate the Freshmen. Oh, by the way, it turned out very nicely.

In November the Sophomores were given a party by the Freshmen. Boy! Was it fun.

We all enjoyed a Christmas party.

In order to raise money we had to get down and dig. Sandwich sales and dances were among our money-making ventures.

On September 8, 1949, sixty-four frightened little tots boarded the Special for their first long train ride into the big, wide world. These wee kiddies were the members of the class of '53, more scornfully referred to as "those goofy Freshmen".

On Wednesday, October 26, we were officially welcomed aboard by the Sophomores, who were kind enough to let us star in a public performance. A month later we returned the favor by giving them a party.

We raised money through sandwich sales.

Semester exams gave us a pleasant (?) vacation from daily routine of school work. We are looking forward to three more years of sports, music, and other activities at Quincy High School.

Moore Passengers

There are thirty pupils in our school this year. In September we organized a Citizenship Club. Our dues were used to buy a gift of fruit for those of us unfortunate enough to become ill. The mothers of the district attended our Halloween Party and organized a Mothers' Club which has functioned all year. We had a very nice Christmas Program in December. We have had hot lunches during the cold weather.

It has been a very pleasant year in the Moore School.

Williams Passengers

The last week in October we had a Health Party. Many of the mothers came. Mrs. Bohley and Mrs. Wells from the Health Department were with us. They gave the mothers many helpful suggestions. Refreshments consisting of chocolate milk and cookies were served.

In December we had a Christmas Program and tree. Santa came and distributed gifts to one hundred twenty-five parents, friends and pupils.

The first day of school we had twenty-eight children. Some moved away, others went to Allen and Quincy, leaving us with only eighteen. We are very happy and busy doing the work for the year. We have made several projects during the year. We are now working on sand pictures and maps in Geography.

Center Passsengers

Center School, along with all the other rural schools, has been the butt of the Weather Man's jokes all winter. We have gone to school in winter and come home in summer and vice versa. We have debated between hip boots and low shoes and almost always have chosen the wrong ones, but in spite of this, we have had a wonderful attendance record and "Readin, 'Ritin', and 'Rithmetic" have been pleasantly interspersed with hot lunches and holiday parties.

F. F. A.

With twenty-two members earning their Chapter Farmer pins and nineteen members initiated as Green Hands the total membership of the club is fifty-six, the largest in the history of the Quincy F.F.A.

A large enthusiastic membership plus capable officers should produce many worthwhile activities.

This fall the club purchased a registered Duroc gilt and gave it to a member who will return two weanling gilts next fall. It is hoped this chain will be continued through the years.

The club has plans to purchase two purebred dairy heifers on the same basis.

Sheep dipping, barn spraying and co-operative crop projects will be continued.

Y-Teen Passengers

Y-Teens

We started off the year by sponsoring a "Stag or Drag" dance. The evening ended with the Y-Teens and their guests attending a movie.

During the Christmas holidays, we enjoyed a Caroling Party in which we delivered a basket to a needy family.

In February, Virginia Struble and Donna Curtiss were sent by the club to Clear Lake. This was a mid-winter conference in which the clubs from all over Michigan participated. Many ways of improving the club were brought back.

The formal candlelight initiation of the new members was held in March.

We would like to extend our appreciation to our advisors, Mrs. Young, Mrs. Dale Shearer, and Mrs. J. T. Watt for their help and interest in the club.

Scout Passengers

At the close of the school year 1948-1949 the Boy Scouts took a seven day trip to Ludington State Park. There the boys were able to swim, fish, hike and take advantage of the huge park area to practice and develop other scouting skills. At the end of the seven day trip they called a close to the scout program for the summer months.

In September, activities were resumed. They divided themselves into two groups; those fourteen and over called Explorer Scouts and those from eleven to thirteen called Boy Scouts. Activities were planned to raise money for a summer trip.

A new troop committee was formed with Dr. L. C. Eaton as Chairman. Other members of the committee are: Dr. N. J. Walton, Mr. F. E. Hadley, Mr. Ray Ehl, Mr. Dewey Mains, and Mr. E. J. Jennings. These men have the interest of the boys at heart and are taking an active interest in the troop. Many thanks to them.

Little "C" Championship 1949 Review

Quincy raised the gridiron curtain this year with a 42 to 0 shutout over an Adrian High School "B" Squad. Quincy scored in every quarter with James Stemen drawing first blood with a 21 yard dash. Ed Donnelly, Robert Adams, Don Cook, Tommy Normandin, Bill Swallow and Deny Sebring also shared scoring honors. The game was sparked by Quincy's great blocking attack.

Quincy shut out Homer in the first conference game 25 to 0. Don Cook was the hero. He made two touchdowns, sparked with three runs of 51, 40 and 25 yards. Ed Donnelly made the other two touchdowns around end and over center.

The Orioles had little trouble disposing of the Reading Rangers with a score of 33 to 0. Reading's defense blew up. Jimmy Hewitt raced for 53 yards for the first score. Don Cook scored three touchdowns while Robert Adams scored one. Donnelly's passing accounted for three conversions.

Quincy lost their unscored against record with Union City by beating them 13 to 6. One of the largest crowds of the season witnessed the game. Jim Hewitt caught a 35 yard pass of Adams' to set up the first touchdown. He scored later with a 13 yard run around the left end. Cook scored the second touchdown with a 5 yard plunge over center. The Maroons scored in the first quarter with a long march. Union City took to the air, but Quincy intercepted two passes, that ended it.

QUARTERBACK

The Quincy High School's Orioles turned back the Jonesville Comets by a score of 20 to 0. Jonesville was rated to upset the Orioles, but our strategy was too strong for them. Jimmy Hewitt scored the first touchdown with a 63 yard run on a reverse. Cook and Adams scored the other two touchdowns on short runs.

END

The orange and black clad grid warriors flattened the inspired Litchfield team 13 to 0. This win made Quincy the only undefeated team in the conference. The hard fighting and determined Litchfield team piled up more first downs than Quincy. Quincy had great defense in close places. Jimmy Hewitt ran 87 yards for a touchdown but was called back when Quincy was called of clipping on the play. Donnelly and Cook made the only two touchdowns with short runs. Cook went over center, while Donnelly caught Adams' pass.

The Orioles with all the hope in the world turned back the Athens Indians with a 27 to 0 trouncing. Adams was the star, carrying the ball 12 times with an average gain of $10\frac{1}{2}$ yards per try. His passing was superior also. Cook, Adams, Donnelly and Hewitt had a touchdown apiece. Quincy had little trouble with Athens. Athens' fumbles helped a lot to set up the touchdowns.

The Quincy High School Orioles closed the football season by defeating a strong and stubborn Bronson eleven, 12 to 9. This victory gave the Quincy Orioles a well earned, undefeated and untied record. Cook made the first touchdown with a 92 yard march. Adams scored the second, going over from the six yard line. Bronson got a touchdown and a safety but not quite enough to discourage Quincy's eleven.

Little "C" Champ Basketeers

The Little "C" Schedule went into action December 2 when the Orioles took their first game with Union City 47-36. Don Cook scored 15 points while Donnelly followed with 12.

The Reading Rangers were next on the Orioles' list. The Rangers went down to defeat to the tune of 62-36. The Orioles had a little trouble hitting the hoop the first half, however they cut loose the second half dropping through 36 points. Donnelly took top honors with 23 points.

The Orioles carried on their winning streak with a 65-51 win over Athens. Cook was high point man with 18 points to his credit.

Jonesville was defeated by a score of 52-41 by the red-hot Orioles. They were still hot when they defeated Homer with a 72-40 trouncing. Don Cook again took top honors with 19 points, closely followed by Donnelly with 17.

The highly rated Bronson team was defeated by the rampaging Orioles by a score of 53-29. The defense of the Quincy gang was truly great. Donnelly and cook shared top honors.

Litchfield was set back by a score of 70-37. The orange birds were still steaming when they handed Union City a defeat to a 61-40 score, Don dumping in 29 points.

Athens and Reading went down to their second defeat of the season by the hi-powered yellow birds with a score of 68-34 and 54-27 respectively. Cook, Donnelly, and Adams were in the scoring column.

Bronson put a strong fight in the second game of the season. The first real battle the Orioles had of the season, however they pulled out with a 44-42 victory.

Homer took their second trouncing of the season by the Orioles to a 72-28 score. At this stage of the conference play, Don Cook is in the lead as high point man in the conference. The Homer game clinched the Little "C" Championship even in spite of the fact the Orioles are to take on a return game with Jonesville and Litchfield to end the season schedule. We say boys, "a big job well done".

1950 Review of Baseball and Track

Our 1950 baseball nine should show very good chances in the hit and run game this season. We have eleven varsity winners back from last year.

The track team prospects look very bright. Ten varsity boys will be in the line-up. They are returning with a lot of get-up-and-go. It's the best of luck, boys, and may you end up near the top of the conference.

QUINCY MICHIGAN

For over 50 years as Funeral Directors in this village, we have watched, from year to year, the little kindergarten kiddies advance, graduate and go out into this busy world to make names for themselves.

Now we are wishing the best for; not only this 1950 Class, but for all future students.
